855PSB20SE322

Allen-Bradley 855P Strobe 30mm Panel Mount 22.5mm Round Mounting Hole 240V AC Green

BUZZERS AND HOOTERS

Component type	Strobe luminaire
Range	855P
Model	N/A
Product status	Discontinued

The Allen-Bradley 855P range of panel mount signal alarms feature products such as sounders, LED beacons, Xenon strobes, combined sounder/beacon units, and dual-circuit alarm units. Designed for local indication of machine or equipment status while creating space efficiency with easily installed devices that are also rear-securing and finger safe.

ELECTRICAL	Nominal voltage	240 V
	Nominal voltage	240 V
	Type of current	AC
	Function	Strobe
CONSTRUCTION	IP rating	IP65
	Colour of lamp hood	Green
	Material housing	Plastic
	Mounting method	Panel
	Degree of protection (NEMA)	13
	With contact	No
MECHANICAL	Suitable for wall mounting	No
	Suitable for ceiling mounting	No
PHOTOMETRIC	Lamp type	LED
DIMENSIONS	Outer diameter	30 mm
