NLGPO15S

NHP NLINE General Purpose Switch Socket Outlet, IP54, Single, 15A 250V AC

NLINE
WEATHERPROOF GPOs

Component type	Combination of switch/push button with socket outlet
Range	NLINE Weatherprotected GPO
Model	N/A
Product status	Existing

NHP's NLINE weather protected general purpose outlets are available in 10A and 15A ratings in single and double outlet versions. The switch knobs are slip resistant and feature a raised centre for easy operation. A special gasket, together with stainless steel cover screws increases ingress protection. The body is made of UV-resistant polycarbonate to offer extended life in outdoor applications.

ELECTRICAL	Number of active pins (flat)	3
	Number of active pins (round)	0
	Rated current	15 A
	Nominal voltage	250 V
	M rating	M50
	Type of switch/push button	Off switch
CONSTRUCTION	Number of socket outlets	1
	Method of operation	Switch
	Type of fastening	Mounting with screw
	Material	Plastic
	Material quality	Thermoplastic
	Colour	Grey
	RAL-number (similar)	7035
	Suitable for degree of protection (IP)	IP54
	Type of socket outlet	Australian standard AS/NZS 3112
	Mounting method	Surface mounted (plaster)
	Transparent	No
DIMENSIONS	Width of device	115 mm
	Height of device	85 mm
	Depth of device	87 mm
	Conductor cross section (solid, stranded)	2.5-10 mm²
