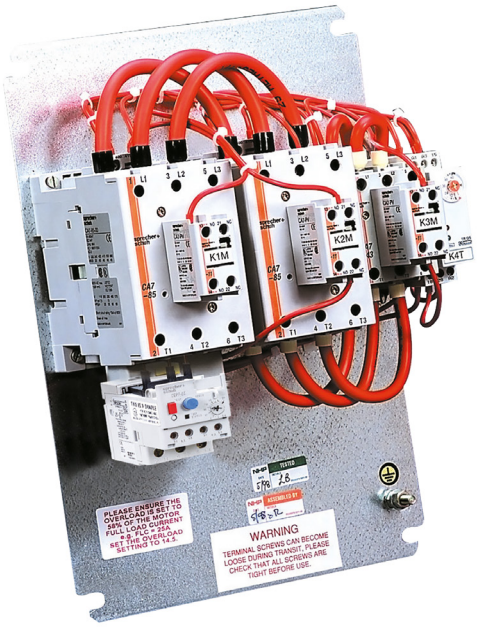
OSDS737240VA

S+S SDS Starter Open Star Delta 37kW 240VAC Control

STAR DELTA STARTERS



Component type	Motor starter/Motor starter combination
Range	Streamline Motor Starter
Model	N/A
Product status	Existing

The Sprecher + Schuh Streamline Enclosed Motor Starter is a cost-effective solution for industrial motor control applications, offering high reliability and durability. Provides added safety and protection for equipment with a variety of advanced features and options for easy customisation and integration into existing systems.

ELECTRICAL

Type of motor starter	Star-delta starter
Rated operation power at AC-3, 400 V	37 kW
Rated operation current at AC-3, 400 V	63.8 A
Rated operation current Ie	45 A
Long time overload protection adjustment range	9-45 A
Release class	Adjustable
Voltage type for actuating	AC
Control supply voltage Us at AC 50HZ	240 V
