Allen-Bradley 442L Safezone 3 Laser Scanner CIP Safety System Plug

Allen-Bradley

by ROCKWELL AUTOMATION

PRESENCE SENSING

Component type

Range	Safezone3 CIP Safety
Model	N/A
Product status	Existing

The Allen-Bradley SafeZone™ 3 with Common Industrial Protocol (CIP) Safety™ sensors uses Ethernet/IP™, further enhancing integration with a GuardLogix® control system using Studio 5000 Logix Designer®. Designed for use on or around dangerous areas, accesses and hazardous points it improves the accuracy of scanned data and increases the scanner’s immunity to dust, smoke and optical interferences.
