CPRSMKT2

NHP Concept Premier Panelboard Accessory Support Katko and TB2 MCCB 250A suits CPR

Component type	Accessories/spare parts for small distribution board
Range	Concept Premier
Model	N/A
Product status	Existing

The Concept Premier Panelboard is a premium panelboard offering all the features of Concept Plus, but also includes additional features such as an IP66 rating, 3 point door locking and a stainless steel option. The increased depth between escutcheon and door allows load break handles and locking devices to be fitted.
