

# PLX51HART40

ProSoft PLX51 Gateway 4 Channel Hart Output Module

<b>Component type</b>	
<b>Range</b>	Stand-alone
<b>Model</b>	N/A
<b>Product status</b>	New Item

The ProSoft Technology stand-alone DIN rail-mounted industrial gateways provide an easy to use solution to read or write data from devices using different protocols. All Prosoft gateways are equipped with ProSoft Discovery Service (PDS) software which automatically detects the default IP address without being on the same subnet, saving setup time and enabling faster configurations of our networks
