# MOD612PK4KIT

**NHP MOD6 CSB Insulated Loadcentre MOD6PK 12W Surface Mount 63A MCB MSW 2x16A 2x10A 1x32A RCBO**

MOD6
LOADCENTRES AND POLE COVERS

| | |
|---|---|
| **Component type** | Small distribution board equipped |
| **Range** | CSB |
| **Model** | N/A |
| **Product status** | Existing |

NHP's CSB surface-mounted insulated loadcentres offer a compact, cost effective method of mounting DIN circuit protective devices in domestic or commercial settings. The CSB loadcentres can accommodate a wide range of current ratings, making them suitable for various applications. The CSB surface or flush-mount options range from 8 up to 36 way with either transparent or white door.
