

ZS125GJ320

Terasaki TemBreak 2 Earth Leakage Circuit Breaker 65kA 30mA
3A 3P 20A

Component type	Power switching circuit breaker
Range	TemBreak 2
Model	N/A
Product status	Phased Out

Superseded range of Terasaki MCCBs.

ZS125GJ320

Terasaki TemBreak 2 Earth Leakage Circuit Breaker 65kA 30mA
3A 3P 20A

DIMENSIONAL DIAGRAM

Front connected

Preparation of conductor

With extension bars (optional)

Drilling plan

Rear Connected

Drilling plan

Panel cutout (Front view)

Panel cutout dimensions shown give an allowance of 1.0mm or more around the handle escutcheon.

Front Connected With Motor Operator

Preparation of conductor
