|----------------|---------------------------|
| Component type | Enclosure/cabinet (empty) |
| Range          | MNX PC                    |
| Model          | N/A                       |
| Product status | Existing                  |

The Fibox MNX range offers high impact resistance and ingress protection, making this range ideally suited to harsh applications where a long-lasting solution is needed. Polycarbonate is flame-retardant, RF transparent and has high UV resistance, making this range well suited to outdoor installations.
