| **Range** | ARCA |
| **Model** | N/A |
| **Product status** | Existing |

The Fibox ARCA enclosures provide the strength of steel at a fraction of the weight. The enclosures are corrosion resistant, customisable and highly UV resistant, suited to outdoor installations, including marine environments. RF-transparency makes them ideal for telemetry applications, suitable for pole and gantry mounting. Easy install accessories and a life expectancy is in excess of 25 years.
